Composition 95% Cotton (50% recycled) 5% Polyester (50% recycled)
Weight Giovanni 620 gm/m²
Width 140cm

Cleaning Instructions

Machine wash 40° C or dry clean
To minimise the effects of creasing, we recommend you turn cushions regularly and use a good quality foam interior.
Vacuum regularly to remove surface dust and fluff etc.
A foam cleaner may be used for stains and applied with a large pored sponge or special applicator following the manufacturers instructions.
Do not use a coarse or stiff bristle brush and avoid saturating the fabric with cleaning fluid or water as this could cause discoloration
